

# Exterior signs

As a bespoke sign company, our portfolio has developed to reflect clients' demands, modern techniques and state of the art technology.

Signs are tailor made to customers' requirements. Whatever the shape or size or material, we can advise on the most suitable and effective solution.

## Modular signage

Plate and post signage are available in a mill or powder coated finish.

A number of panels can be used on the same posts to create a 'directory sign'

A large range of finials and base embellishers are available to complement your signage.
